# WHY THE NAME HADADA SAFARIS ?

The **Hadada** Ibis greets each African dawn with its distinct “*haa-haa-haa-de-dah*” call, a sound of connection, guidance, and survival. Just as the ibis uses its call to keep flocks united and its beak to sense hidden paths beneath the soil, **Hadada Safaris** embodies this spirit of connection and discovery.

Our journeys are more than just safaris—they are about guiding travelers to hidden wonders, forging bonds with nature, and experiencing the rhythms of Africa in their purest form. Like the Hadada Ibis, we are your natural guide, helping you navigate Tanzania’s wild beauty with vision, safety, and authenticity.
